

# The Risk Of Disability Is Great

Consider the chances  
of at least one disability lasting 90 days  
or more before age 65.

At Age 20 .....	33%
25 .....	31%
30 .....	30%
35 .....	28%
40 .....	26%
45 .....	23%
50 .....	20%
55 .....	15%
60 .....	10%
